SUMMARY

React Developer with 2+ years of experience building responsive and high-performance web applications using React.js, TypeScript, and JavaScript. Skilled in creating reusable components, managing application state, and integrating APIs to deliver seamless user experiences. Passionate about developing scalable, maintainable, and user-friendly front-end solutions while collaborating effectively in Agile teams

WORK EXPERIENCE

Software Engineer

Pozomind - hosur

Nov 2024 - Current

Developed a cross-platform Billing Application using React.js, Electron.js, and Capacitor for web, desktop, and mobile platforms. Built responsive UI components, integrated APIs for billing and invoice management, and improved application performance through feature enhancements and bug fixes. Utilized OpenProject for task management, sprint tracking, and team collaboration while following Agile development practices and Git/GitHub version control

PROJECTS

Developed core modules for a retail application, including Sales Reports, Daily Sales Reports, Ledger Reports, Customer Reports, Purchase Reports, and interactive Dashboards. Worked on modal-based UI components, API integrations, and responsive user interfaces using React.js, and JavaScript to deliver efficient and user-friendly business solutions

MERN full stack development / Intern

Innovaskill Technologies Private Limited (Bangalore)

May 2024 - Oct 2024

AI Tools & Productivity Skills

Proficient in using ChatGPT, Claude AI, Amazon Q Developer, Cursor AI, Cline, Codex, and GitHub Copilot to enhance software development workflows. Experienced in leveraging AI tools for code generation, debugging, refactoring, documentation, code reviews, and problem-solving to improve productivity and code quality. Skilled in using AI-assisted development tools to accelerate feature delivery, learn new technologies, troubleshoot issues, and optimize application performance across web, desktop, and mobile projects.

EDUCATION

Bachelor of Science in Computer Science

Aug 2020 - May 2023

Adhiyamaan College of Engineering (Hosur)

Diploma in Computer Science

Er. Perumal Manimekalai Polytechnic College (Hosur)

Aug 2017 - May 2019

SKILLS

- Frontend: React.js, JavaScript (ES6+), Typescript, HTML5, CSS
- Backend: Node.js, Express.js, Python
- Databases: MongoDB, MySQL
- Tools & Version Control: Git, GitHub, OpenProject
- Other Skills: REST API Integration, Fast Api, Responsive Web Design, State Management, Debugging & Performance Optimization
